About Fremont Youth Ball Club

FYBC is a youth basketball organization located in Fremont, California. We strive to provide opportunities for personal growth, development and to develop love for the sport with our young athletes. Through participation, we hope to instill self-confidence, encourage sportsmanship, teamwork and mutual respect for one another. We encourage each player to work hard and do their best, on and off the court. FYBC is committed to making basketball a popular sport in our youth community.

History

FYBC was founded in 1997 by Lee Ai, Jin Lon Hon, and Robert Kin, who had a common passion — youth basketball. FYBC was started with a few simple objectives. First, we wanted to provide a safe and healthy environment for youths to spend their leisure time. In addition, we hoped to make available a training place that would help prepare our children to successfully compete in their school's basketball programs. Furthermore, we liked to offer a perfect occasion for parents to de-stress from their hectic work week, and enjoy the weekend by watching their children participate. Lastly, we used this opportunity to encourage each and every player to improve their basketball skills, and build sportsmanship. Over the years, we believe we have accomplished what we set out to do. We created a very enjoyable, wholesome and competitive environment for our children. We saw a large percentage of FYBC youths excel in their school district's sports programs.

We had very few rules and regulations when we first started. The program was run by several coaches and a few parent volunteers. The club's activities were completely funded by coaches and parents. We had an open door policy and we welcomed any child wanting to play basketball. We made learning basketball accessible to children from all families and "No child left behind" was our simple guiding principle. As FYBC evolved, the club grew rapidly and became a popular after-school basketball league in the east bay. Our coaches' dedication paid off and our homegrown FYBC players began to achieve good showing and recognition in the Bay Area NJB, AAU, and several Asian League basketball tournaments. At that point, the FYBC founders felt the urgent need to become a more established organization.

Today, we are very proud that FYBC has become a California Not-for-Profit Organization with both boys and girls teams, ranging from 4th grade to 12th grade. We have a very seasoned board of directors overseeing our day-to-day operations, and many hard-working coaches, seeking every possible way to improve our training programs. Most importantly, we have many dedicated parents and family members, who work hand-in-hand with us, to make FYBC a safe, exciting place for our children.

Welcome!

Dear Players, Coaches, Parents, Families, and Friends,

On behalf of the Fremont Youth Ball Club (FYBC), I am delighted to welcome you to our 15th Annual Tournament on September 26–27, 2026! Thank you for joining us for a weekend of basketball, friendship, and community. We are excited to host teams from across the Bay Area and Sacramento and look forward to sharing a memorable experience with you.

This tournament is about more than the games we play. It is an opportunity for our young athletes to grow through teamwork, demonstrate good sportsmanship, and build friendships both on and off the court. We hope every player leaves this weekend proud of their efforts and encouraged by the support of their coaches, teammates, and families.

I extend my heartfelt thanks to our tournament directors, division and gym coordinators, coaches, and parent volunteers. As an entirely volunteer-run organization, FYBC relies on the dedication and generosity of people who give their time to support our players. Your hard work behind the scenes makes this tournament possible, and we are deeply grateful for all that you do.

To our tournament sponsors, thank you for your generous support and investment in our youth. Your contributions help us create meaningful opportunities for our players and bring our basketball community together. We hope you will join us to enjoy the games and remain part of our future tournaments.

Finally, thank you to our guest organizations and participating teams for your continued support of FYBC. We appreciate the enthusiasm and community spirit you bring to this event.

Best of luck to all our teams. Let's cheer each other on, celebrate the effort of every player, and enjoy a wonderful weekend of basketball!

Sincerely,

JinLon Hon
